

Working for Oxfirst is both challenging and rewarding. We are looking for talented and enthusiastic people to join our team and help move innovation forward.

Internship Program

Our Internship program is designed for students keen to get first hand business exposure. No matter what your level of academic training is, we are happy to give you a chance to learn and develop skills that go beyond what University teaches you.

Academic training alone is not enough to land you a top job. Oxfirst can give you a career boost by offering cutting edge job exposure. We are a dynamic player that is moving rapidly. Our Internship Program gives you the chance to:

- Get exposure to highly professional firm and learn how we run the business
- Get involved in cutting edge projects for well-known Companies and Governments
- Learn how to apply your academic training at real world challenges

We will evaluate your application according to your ability to:

- Solve problems creatively
- Contribute to cutting edge studies
- Ability to work independently and accurately, often under time constraints
- Your motivation to make a difference
- Your ability to be a self-starter and a positive 'can do' attitude

Please send us your C.V., a cover letter and a writing sample, as well as any other material that you consider to represent you well.
